

2019 CONCRETE AWARDS COMPETITION

Call for Entries

Eligibility

The project's architect, engineer, owner, general contractor, concrete contractor, concrete or masonry supplier may submit entries. There is no limit on the number of projects that may be submitted. To be eligible, a project must have been substantially completed between **January 2017 and September 2019** and must be located in the following areas:

- Washington, DC
- Loudoun County
- Montgomery County
- Fairfax County
- Prince George's County
- Arlington County
- Prince William County
- Alexandria

Categories

Entries are invited in the following categories:

- **Low-Rise Building, Up to Three Stories**
Residential (multi-family and houses), schools, commercial, warehouse and industrial, etc.)
- **Mid-Rise Building, 4 to 15 Stories**
- **High-Rise Building, More than 15 Stories**
- **Infrastructure**
Bridges, site structures, water resource structures, marine structures, other transportation structures
- **Decorative Concrete**
Counters, furniture, exterior and interior finishes, ornamentation, etc.
- **Repair and Restoration**
- *Note that additional categories may be added at the judges' discretion depending on the types of entries received*

Awards

Awards may be presented to the owner, architect, engineer, general contractor, concrete or masonry contractor, and the concrete or masonry supplier for each recognized project. A total of (4) awards will be prepared for each winning project. Winners will be contacted prior to the event for a final count on awards requested. Additional awards may be purchased by request prior to the ceremony.

Judging Criteria

Judging will be based on architectural merit, engineering merit, creativity, innovative construction techniques or solutions, innovative use of materials, ingenuity, sustainability and resilience, and functionality and end use suitability. The judges' panel will be composed of representatives from all aspects of the concrete construction industry.

Entry Requirements

All entries must contain a Project Information Form and a 500-word written description of how concrete was featured in the project. Separate submissions must be made for each entry and entry form must be fully completed. A minimum of (4) and a maximum of (12) photographs shall be submitted with each entry. Concrete should be featured in the photos and photos of construction of the concrete are also encouraged. Photos should show the overall extent of the project and any specific areas of complexity and uniqueness. For each entry please supply the following information:

- General Description of the Project
- Special Features of the Concrete
- Degree of Difficulty
- Project Challenges
- Innovative Aspects of the Design or Construction
- Ecological or Environmental Factors
- Problem-Solving

All photos should be high quality digital in JPEG form. Do not send PDF format. Included in the pictures should be a photographer quality digital picture of the finished project suitable for framing for the awards. Please do not send renderings.

Deadline

All Entries must be submitted by October 15, 2019.
Judging will take place on October 29, 2019.

Please email entries and questions or comments to:

Bill Lyons @ wlyons@euclidchemical.com 201.401.3391 or
Yvonne Nelson @ ynelson@formservices.com 240.216.1696

Or mail submission with photos on thumb drive to:
Yvonne Nelson
c/o Form Services, Inc
3119 Hammonds Ferry Road
Baltimore, MD 21227

Awards Presentation

Winners will be notified by October 31, 2019.
The Awards presentation will be made at the NCC ACI Awards Banquet on November 12, 2019
